AMERICA'S NO.1 SELLING TRUCK BED COVERS

EXTANG ENGINEERED QUALITY FEATURES:

The Express Tonneau is engineered with exclusive features that provide instant truck bed protection with top notch looks and superior performance.

The Express Tonneau is the world's most convenient and easy to use roll-up style tonneau in the industry. Revolutionary components provide a secure, no-nonsense installation in just minutes!!

All-weather tapered design repels water for protection from the elements and increased gas mileage.

An Extang tonneau will pay for itself in gas savings within just a few months. All good reasons why Extang is America's number one selling tonneau line.

Easiest Install

Heavy-duty side rails are pre-drilled for quick and easy no-measure clamp placement.

Full Use of Truck Bed

Low profile clamps and unique side rail design keep clamps hidden out of the way beneath the side rail.

One-Finger Release

Quick release levers at the cab and tail rail provides instant, full bed usage.

Perfect Fit

Automatic self adjusting tension system keeps tarp taut and looking great in all weather conditions.

Easy Roll Up

Heavy duty bows are pre-positioned and conveniently roll up within the tarp for quick storage.

Extang Tuff + Great Looks

Triple stitched commercial grade tarp with tapered design. WeatherTuff Seals: excellent sealing with high molecular weight PVC seals that withstand high temperatures and UV rays.

Looks great and built to last!

WATER RESISTANT DESIGN

Above the rail, custom tapered, aerodynamic design provides for superior performance. Built Extang Tuff to repel water and protect your truck bed and cargo from the elements, no matter what the weather!

OPENS & CLOSSES IN SECONDS

RELEASE

Drop tailgate and simply press the Quick Lever to instantly release the tail rail.

ROLL

Tarp and bows easily roll-up together in one easy step.

EASY!!

Tarp can be fastened at the cab, or completely removed by releasing Quick Lever at the cab.

Top Notch Performance & Great Looks!!

MAXSEAL TAILGATE SEAL

Keeps dust, rain and now out of truck bed. Creates a tight seal along sides and bottom of your tailgate. Straightforward do-it-yourself installation. Just cut, peel, and stick.
