## Easy Return / Easy Exchange

---

### **Want to return an item or exchange? Not satisfied with purchase?**

No problem. We strongly believe in service after the sale and we stand behind our products and our service to you, our valued customer. There is no problem we can't solve for you!

Items that have been installed and/or damaged after receipt, are no longer in new and ready-to-sell condition and cannot be refunded, replaced or exchanged unless it has a manufacturer defect or was damaged in shipping. In addition, we cannot accept return on items that are not in the original packaging. Items returned in poor condition or having parts missing will not be credited.

**Please note: Your request for return or replacement must be initiated within 30 days of delivery of your merchandise.**

### **Did your order arrive damaged?**

Please do not install damaged products. Contact the company you purchased your product from as soon as possible and notify them of the damages. They will make arrangements with you to assist with the problem.

### **Did you order the wrong part or receive the wrong item?**

Don't worry. From time to time human error can result in problems with ordering or shipping. Contact the company you purchased your product from as soon as you notice the error. Every company has their own policy on returning parts that have been ordered incorrectly or shipped incorrectly.

In the event that you need to ship your part back to return/exchange, please ship to the warehouse below:

**CYC Returns Warehouse  
2415 Cathy Lane  
Jasper, IN 47546**

## Raptor Series Warranty

### LIMITED TEN (10) YEAR WARRANTY

#### For Powder Coated Steel Products

CYC Engineering, Inc. guarantees the original purchaser of our products a limited ten (10) year warranty from the date of original purchase against manufacturer defects in materials, workmanship and finish under normal use. The step pads are covered under warranty for 1 year. This warranty does not include damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, product neglect or scratches during the life of the product. This limited ten year warranty applies only to new products and is limited to the repair or replacement of company's products. Warranty does not include costs of removal, installation, labor, inconvenience or consequential damages. Original purchaser must return defective merchandise along with the purchase receipt, to the original place of purchase.

### LIMITED LIFETIME WARRANTY

#### For Stainless Steel Products

CYC Engineering, Inc. guarantees the original purchaser of our products a limited lifetime warranty from the date of original purchase against manufacturer defects in materials, workmanship and finish under normal use. The step pads are covered under warranty for 1 year. This warranty does not include damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, product neglect or scratches during the life of the product. This limited lifetime warranty applies only to new products and is limited to the repair or replacement of company's products. Warranty does not include costs of removal, installation, labor, inconvenience or consequential damages. Original purchaser must return defective merchandise along with the purchase receipt, to the original place of purchase.

# 3" ROUND TUBE

## Components:

## Hardware:

## Tools Required:

## Torque Specifications:

For Rocker Panel Mount Installations  
M8 through M12 bolts and nuts are set to 15-20 ft lbs.

**Note: When installing the brackets and bars, all hardware must be left loose until all the items are attached.**

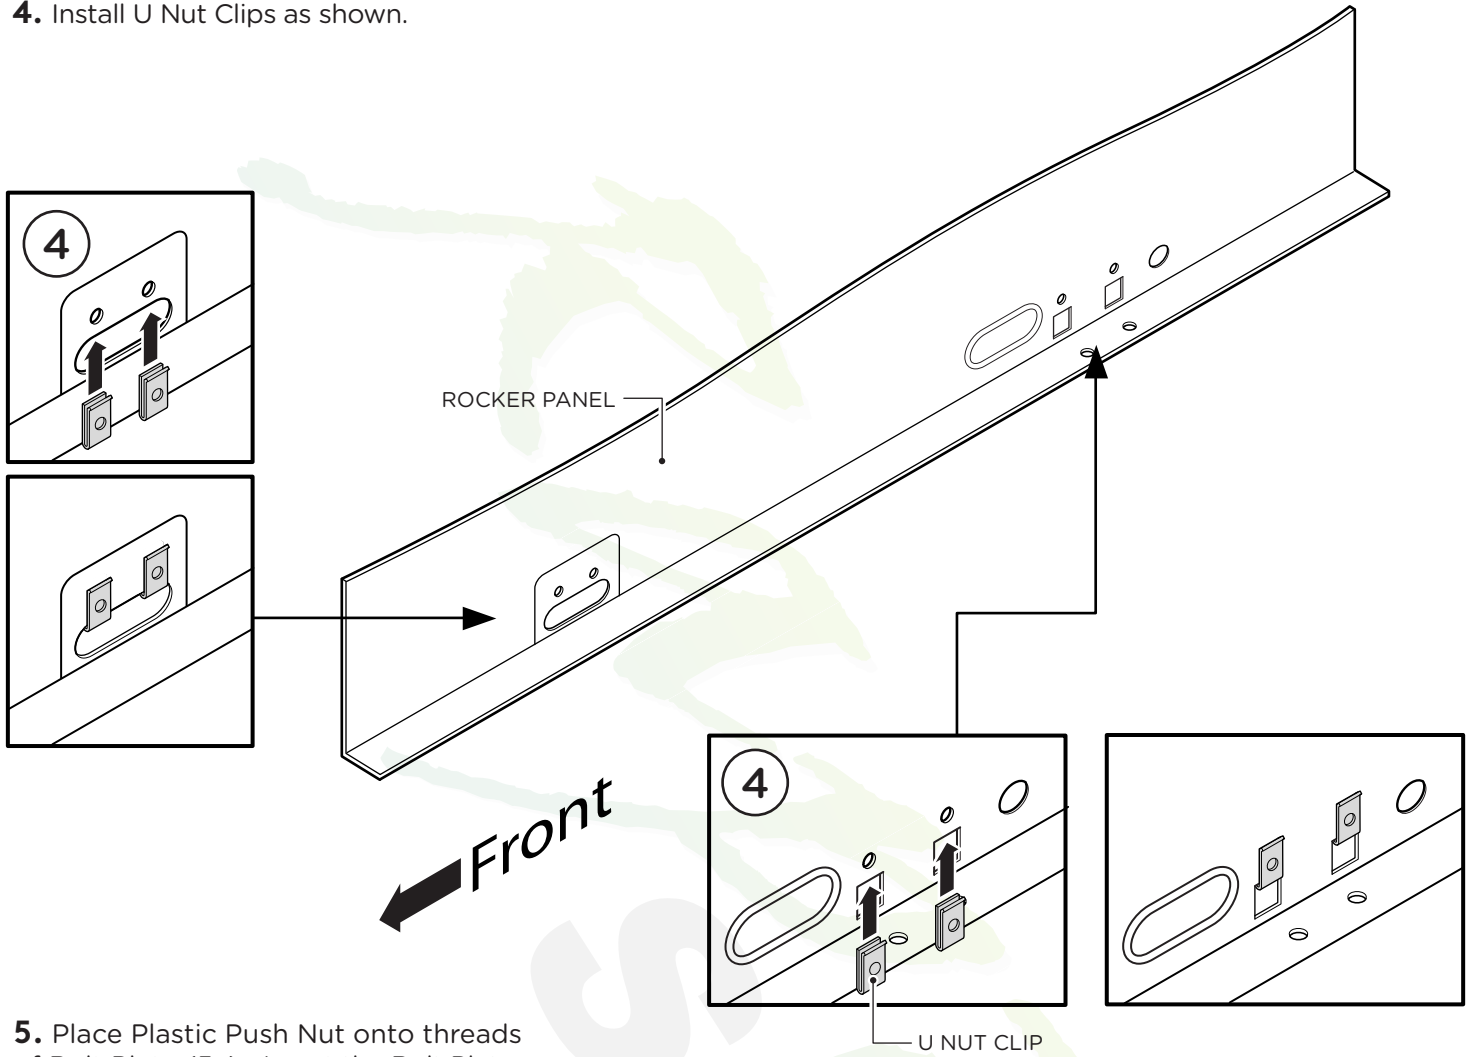

**1.** Remove all contents from the package and check stainless steel tubes for any damage. Also, verify that all components and hardware listed above are included before you begin installation.

**2.** Read installation manual and installation drawing completely. Understand all brackets and bolts before installation.

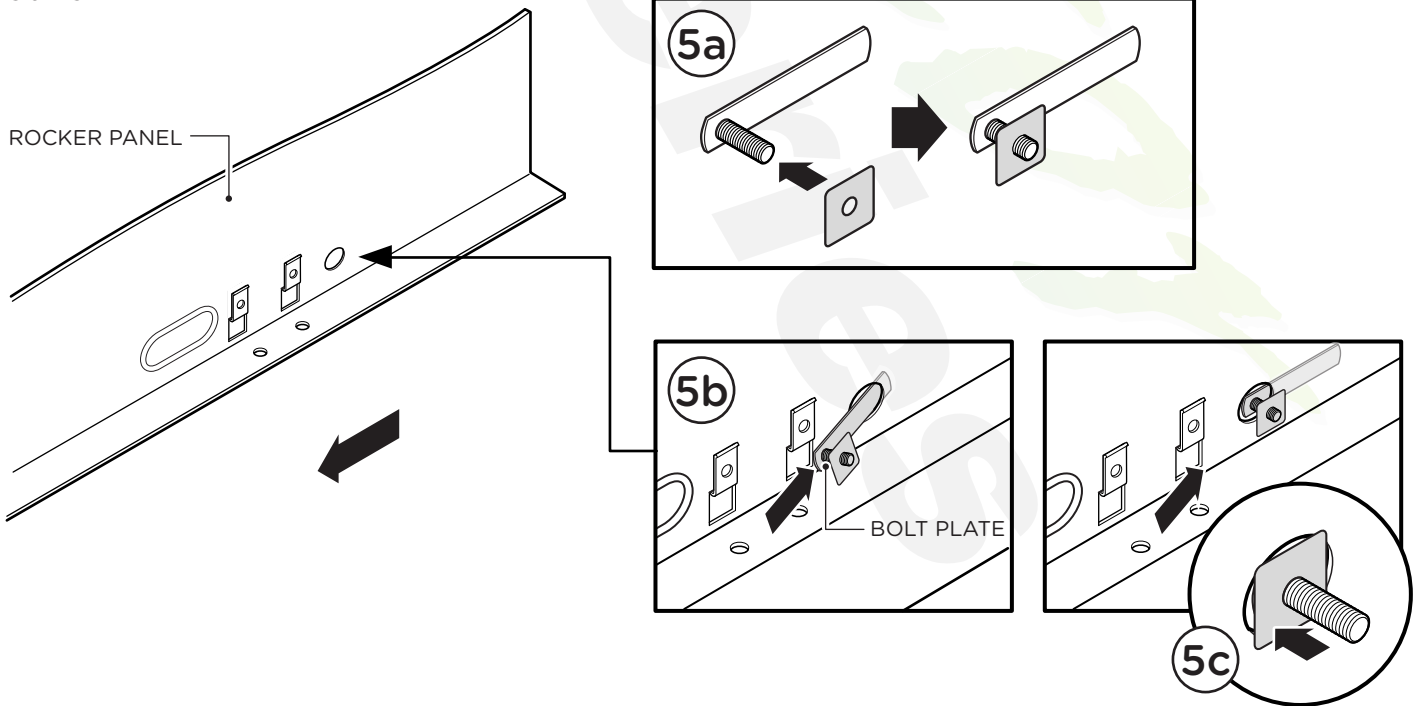

**3.** Begin installation on the passenger side by removing the black rubber plugs or tape covering the existing holes in the Rocker Panel.

4. Install U Nut Clips as shown.

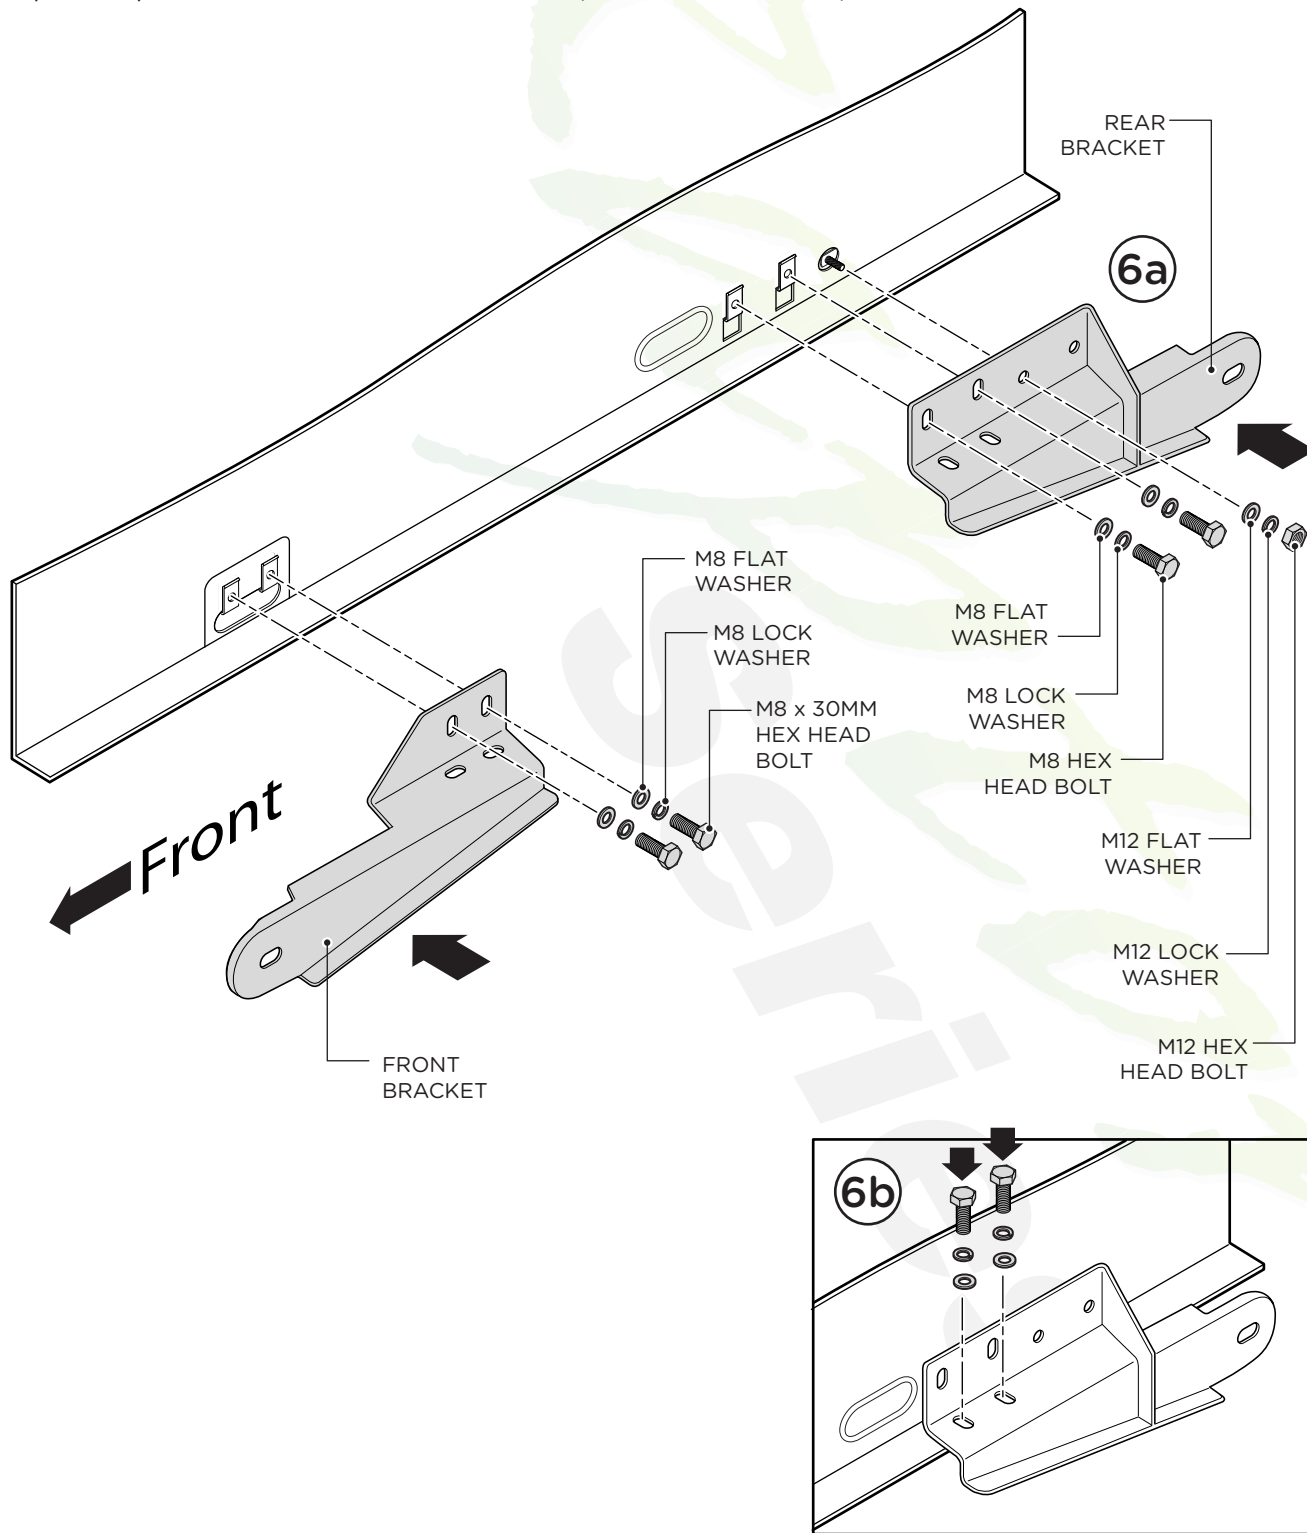

5. Place Plastic Push Nut onto threads of Bolt Plate (5a). Insert the Bolt Plate into the round hole in the Rocker Panel as shown (5b). Push Plastic Push Nut snugly against Rocker Panel (5c).

**6.** Attach the Rear Bracket to the Bolt Plate using one (1) M12 Flat Washer, one (1) M12 Lock Washer and one (1) M12 Hex Head Nut. Then fasten the Rear Brackets to the U Nut Clips installed in the previous step using, two (2) M8 x 30MM Hex Head Bolts, two (2) M8 Flat Washers and two (2) M8 Lock Washers per bracke (6a).

Then, fasten the bottom of the bracket to the pinch weld using two (2) M8 x 30MM Hex Head Bolts, two (2) M8 Flat Washers and two (2) M8 Lock Washers (6b).

Repeat steps 6a and 6b for the front bracket (minus the Bolt Plate).

7. Fasten the Step Bar to the Front and Rear Brackets using one (1) M14 x 60MM Bolt, one (1) M14 Lock Washer and one (1) M14 Flat Washer per bracket.
