**Read complete instructions  
before installation!  
Improper installation may  
void warranty**

Description: Taillights  
Part Number: 221169, 221166  
Application: 05-09 Ford Mustang

**Tools needed**  
Flat head screw driver  
7/16 socket and ratchet

Remove the two plugs located  
on the trunk cover by pulling  
outward.

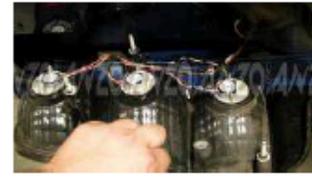

Using your flat head pull the 4  
push pins out that hold the  
trunk cover in.

Flip the trunk cover forward  
so you can access the 3 7/16 nuts  
that hold the tail light in.

Remove the 3 7/16 nuts

After removing the nuts pull the  
taillight straight out.

Remove the light sockets from  
the light.

If you have the upgraded harness  
for the 2010 style you will need to  
remove the old harness. Push the  
body plug out.

Unclip the harness, re route the  
new harness through the hole and  
plug it in. Again this part is only for  
the 2010 style

Twist the sockets back into place

Re-install the new taillight by  
reversing the instructions.

Check all functionality of the new  
lights before operating on any  
highway.
