

HUSKY **Weather** **BEATER**[™] **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater[™] Cargo Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Honda Civic Hatchback. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the cargo area of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will speed the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409[®] or Glass Plus[®] work well. Do not use Armor All[®], Son-of-a-Gun[®] or similar items as these products make the liner slick.

CARGO LINER INSTALLATION INSTRUCTIONS FOR YOUR HONDA CIVIC HATCHBACK

YOUR LINER, AS BOXED, COVERS THE FACTORY CARGO TIE-DOW HOOKS LOCATED NEAR THE REAR SEATS (SEE ABOVE CIRCLED). TO ACCESS THE CARGO HOOKS SIMPLY TRIM AWAY THE MATERIAL ABOVE THE HOOKS. TO AID IN TRIMMING THE AREAS ARE LOWERED. THE EDGE OF THE LOWERED AREA IS THE TRIMMING GUIDE. A UTILITY KNIFE OR SIMILAR WORKS WELL FOR TRIMMING.
