RFB LFSB RFSB						

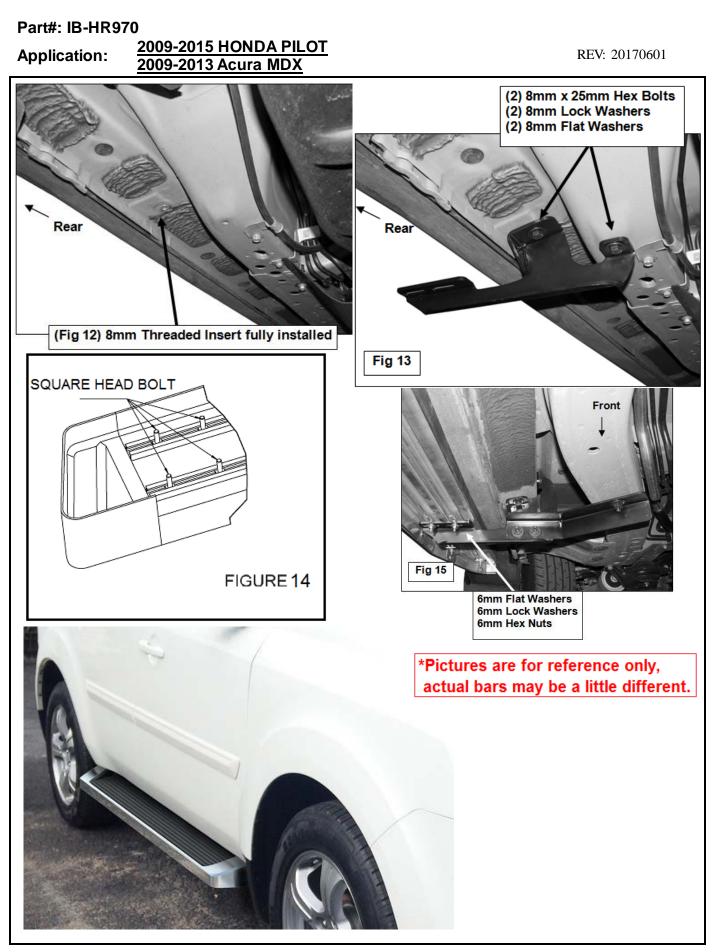

Step	Installation Instruction			
1	Verify all parts are present. READ INSTRUCTIONS CAREFULLY BEFORE STARTING INSTALLATION.			
2	Starting on the driver side, locate the two factory 8mm threaded holes, one located in the bottom of floor panel and the second in the side of the inner body panel (FIG 1). IMPORTANT: All factory threaded holes may be covered with rubber plugs or undercoating. Scrape any excess undercoating from mounting surfaces.
