

PROMOTIONAL ANNOUNCEMENT

Buy an Insight or Diesel Evolution CTS3
Get a FREE EGT Probe

FREE EGT SENSOR PROMOTION
PURCHASE ANY DIESEL EVOLUTION CTS3 OR INSIGHT CTS3 AND GET A FREE EGT SENSOR KIT!
MAY 1ST - JUNE 30TH, 2023

Summer towing season is upon us and before you hook up that trailer, lets make sure your truck is ready for the trip with a free EGT Probe from Edge Products! This is a deal you just can't pass up with a free 98620 EGT Kit promotion after the purchase of any Insight or Evolution CTS3 between May 1 – June 30, 2023. The industry leading Insight CTS3 monitor or the efficient and powerful Evolution CTS3 tuner are great upgrades for any diesel pickup and this promotion offers more value than anything on the market for Ram, Ford, and GM diesel applications. Gain the peace of mind from the cab, watching everything going on under the hood and be sure those EGT's stay in check. This is a \$160 value thrown in at no charge once the Rebate Form is completed at

How To Redeem

Purchase your Edge Insight or Diesel Evolution CTS3 directly from [edgeproducts.com](https://www.edgeproducts.com) or through any Authorized Edge Dealer during the promotional period. Once your purchase is complete and product has been delivered to you, visit our online promotion redemption page at <https://www.edgeproducts.com/freeeas-promo/> and fill out the form, be sure to attach a copy of your invoice and the serial number located on the back of the device (example: 201955099). Once the online form is completed and your proof of purchase has been verified, we will process your free EGT Probe kit to the provided shipping address. Device purchases must be made between May 1 – June 30, 2023 to qualify. Proof-of-purchase and submission form must be completed by 7/15/2023 to receive your free product (part number 98620). Not redeemable for cash or any other product. Gas Evolution's not applicable. Please allow 3-4 weeks for processing and delivery of free product.
