

## Bowless Top, 2 Door JK

### NOTICE

Ensure windows are kept clean to avoid scratching. **DO NOT** wash windows with brush. Wash with clean, watered-down cloth or sponge and mild detergent. **DO NOT** clean windows while dry. Use caution while cleaning in low temperatures as windows become more susceptible to scratching and cracking. **DO NOT** roll up windows in low temperatures as this causes windows to stiffen and crack. Windows should be clean when rolled up.
